

Invacare Healthcraft PT Rail, Hinged, Left, Stainless Steel (28", 32")

Manufacturer:
Invacare

A 28"/71 cm hinged, wall mounted support rail which promotes safe standing and transfers to and from a toilet. Combines an exceptionally solid feel, and an innovative offset rail design. Stainless Steel.

Invacare Healthcraft PT Rail, Hinged, Left, Stainless Steel (28", 32")

Invacare

FEATURES:

- **SECURE** - P.T. Rail provides rigid support where it is needed - on one or both sides of the toilet.
- **NO WRIST STRAIN** - Unlike vertically aligned dual rail systems, our unique offset rail design prevents wrist strain when using lower rail.
- **SAFE, OUT OF THE WAY STORAGE** - the hinged models fold up to store out of the way, yet pulls down in an instant when needed. Smooth "fluid feel" hinge holds its position wherever you leave it - even halfway up - it will not inadvertently fall down causing impact injuries.
- **Rail Offset** - 6" / 15 cm vertical offset. 1.5" / 3.8 cm horizontal offset.

SPECIFICATIONS

OVERALL LENGTH	28"/71cm
DIAMETER	1.5" / 3.8 cm
PRODUCT WEIGHT CAPACITY	400 lbs/181kg.
DIMENSIONS	Wall Plate - 5.5" x 9" / 15 x 23 cm with fastener holes (3/8" diameter).
