

Invacare® Pegasus 3 Wheel Scooter

Manufacturer:
Invacare

Stronger, Smarter, Safer. The Pegasus three and four wheel scooters combine safety, reliability and comfort into one perfect package. Whether you enjoy a daily trip to the mall or travelling further afield, the Invacare Pegasus offers the performance, freedom and independence you want and deserve.

Invacare® Pegasus 3 Wheel Scooter

Invacare

FEATURES:

- Dual rear adjustable suspension and front spring suspension
- Speed Reduction Technology automatically reduces travel speed while cornering
- Two-step brake release lever prevents accidental disengagement out of drive mode
- Adjustability - optimal driving position can be obtained by adjusting seat height, position, and the width, height and angle of the armrests
- 4-pole, 250 Watt motor delivers travel speeds up to 12km/h
