

Basic/Ultra Back

Future Mobility Healthcare manufactures and markets products that increase the freedom and safety of mobility challenged individuals. Renown for quality and service we bring innovation to all of our products for the home healthcare market.

The Prism™ Basic Back was designed for users who require mild to moderate postural support, while the Prism Ultra Back offers 6" of aggressive lateral support for those who require more complex positioning.

Extras such as the positioning option, the ease of attachment and the unique method of adjusting for a wide range of angles, make this back the most versatile and truly modular model on the market.

Combine this with Prism's sleek and attractive tailored look for a back that will appeal to a wide variety of users!
