Aquatec® Shower Commodes

Yes, you can.®

Aquatec Shower Commodes offer superior functionality, maximum adjustability and an enhanced quality of life. Aquatec commodes feature an innovative, practical design that is ideal for self-propelling clients as well as homecare and nursing facility applications.

For safe and proper use:

- Ensure that the brakes are locked in parked position when in use
- Follow Aquatec's care instructions to keep your commode clean
- Can be used as aids for all bathroom needs
- For indoor use only

Aquatec, your first choice for safety and reliability!

Aquatec® Shower Commodes

Ocean Standard/Ocean SP

Model no. 7.10.900K Standard

Model no. 7.12.900K SP (Self Propelled)

The multi-functional Ocean Standard and Ocean SP commodes are perfect for institutional or home use. With maximum adjustability, both can be used as a commode chair, shower chair or as a bedside commode. The Ocean SP also features 24" rear wheels making it ideal for self-propelling.

Features

- Tool-less seat height adjustment range of 5" to fit over most toilets
- Removable height-adjustable swing-away footrests with adjustable heel loops
- Easy to clean smooth surfaces, detachable seat and tension-adjustable, machine-washable backrest
- Four, 5" casters with wheel & swivel locking mechanism
- Rust-proof frame - ideal for pool use
- Commode pan with lid included
- Standard with 24" rear wheels with SP model
