# Motion – The Home Accessibility Experts

At Motion, we offer Canada's largest selection of Mobility, Home Accessibility and Daily Living products to allow you to stay at home comfortably, independently and safe; with or without the support of a loved one or caregiver.

## Book a Consultation

Call us today to book an in-person, virtual or phone consultation with one of our knowledgeable and caring experts! We can help you stay at home longer with products customized to support your unique needs.

**[motioncares.ca/safeathome](https://motioncares.ca/safeathome)**

## Did You Know?

Selecting the right products and making home modifications can decrease the chance of falls to help you stay safe at home.

## In-Home Consultations

Representatives entering our clients' homes are technically trained in handling the most complex clinical needs and in assessing all types of environments to ensure ultimate accessibility

## Virtual & Phone Consultations

Schedule a time to meet with one of our representatives by video or phone for us to learn more about your needs

# Entry & Exit

---

## Modular Ramps

Safe, attractive, easy to install and virtually maintenance free, non-permanent modular ramps are designed to look good and perform flawlessly.

Easy to install

## Portable Ramps

Whether you're seeking a foldable ramp to transport or a solid easy set-up, one-piece ramp with handrail options, Motion offers solutions that can provide easier access into your home or another location while you're out and about.

Portable

## Vertical Platform Lifts

Vertical Platform Lifts (also known as porch lifts) help wheelchair and mobility scooter users more easily enter and exit a home that has a height distance between ground level and entryway. These discreet lifts can be added to a porch, deck, and inside a garage or home, and can even be used through a Canadian winter.

Safe and reliable

# Lift Systems

---

Transform any area of your home with a ceiling lift system or introduce a portable lifting device. Ceiling lift systems can be customized for seamless transfer between rooms.

Simplify the transferring routine

# Daily Living Aids

---

Make your everyday tasks easier with a wide variety of Daily Living Aids. These products support common tasks, such as dressing, grooming, travel, meal preparation and exercise, by providing added safety and independence as well as promoting health.

Everyday tasks made easier

# Stairways

---

## Access BDD HomeGlide Stairlift

With a smooth aluminum track, the HomeGlide stairlift can be fitted to almost any straight staircase. This allows the lift to be installed quickly, easily and with minimal disruption to your home. Features include an easy to use and removable joystick, transportable call remote and seat belt.

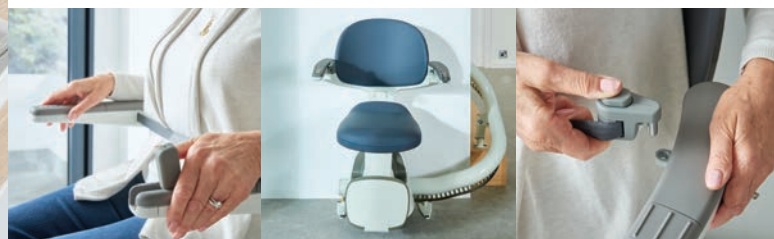

**Straight, smooth ride stairlift**

## Access BDD Flow X Stairlift

The Flow X curved, single rail stairlift is the smartest lift of its type. The Flow X is fitted onto the staircase and not the wall, allowing the lift to be installed quickly, easily and with minimal disruption to your home. Its sleek and contemporary design fits well with any home décor.

**Curved, single rail stairlift**

## Bruno Elan Stairlift

Bruno's most popular stairlift, the Elan stairlift makes getting around your entire home safe and simple. Designed for straight indoor staircases, this sleek, space-saving stairlift offers a mix of high-quality standard functionality, unsurpassed reliability and ease-of-use design.

**Straight, space-saving stairlift**

## Bruno Elite Stairlift

Enjoy a stairlift built specifically for your home. The Bruno Elite curved stairlift delivers an unmatched smooth, quiet ride from start to finish. With Bruno's signature stairlift, the quality and comfort are second to none. Add power options to further customize your Elite curved stairlift to fit your lifestyle.

**Curved, customizable stairlift**

**Smooth. Quiet. Reliable.**

Glide up your stairs with ease and comfort with a high-quality Bruno stairlift.

- Straight or Curved
- Indoor or Outdoor
- High performance up to 400lbs

**Bring Home Comfort and Access**

# On the Go

---

## Pride Mobility Scooters

Pride Mobility brings a whole new level of comfort and performance to mobility scooters, including models with feather-touch disassembly. With advanced suspension components for improved absorption over various terrains, you can continue to enjoy the outdoor activities that you love.

### Feather-touch disassembly

## Portable Travel Power Wheelchairs

Ideal for individuals who need mobility assistance on the go, portable travel power wheelchairs are a lightweight, compact, and foldable option to maintain your independence and comfort.

### No need to worry about distance

## Transport Wheelchairs

Whether going to a medical appointment or visiting family and friends, transport wheelchairs allow for added safety and assistance between destinations.

# Bedroom

---

## Adjustable Beds & Mattresses

For those who may need a little assistance transitioning from sitting to standing to get out of bed, Adjustable Beds and Mattresses can help you stand with the touch of a button. Select bed frames even allow the user to attach their own headboard, making it a beautiful addition to any bedroom.

Ultimate comfort at the touch of a button

## Bed Rails & Transfer Poles

Bed rails and transfer poles can be introduced to further support getting in and out of bed. Transfer poles are secured between the ceiling and floor in any position and bed rails are secured under the mattress.

Make any bed safer

## Homecare Beds & Mattresses

For more advanced medical needs, homecare beds and mattresses offer additional sleep support and safety.

## Additional sleep support

## Bed Tables & Trays

Enjoy even more from the comfort of your bed. Over-bed tables and swivel trays are optimal for laptops, meals and storage.

## IMPROVE YOUR *Sleep*

The Harmony Hi Low Bed offers all of the features of a home care bed, without the institutional look! Explore the full selection of beds and mattresses on our website: [www.harmonybeds.ca](http://www.harmonybeds.ca).

# Bathroom

---

## Bath Lifts

For added support getting in and out of the tub, bath lifts lower and raise you safely and with ease to help maintain your independence and privacy.

Lower and raise with ease

## Shower/Bath Seats

Bathe with confidence from a seated position with a shower/bath seat. Available with and without backs and in a variety of styles that accommodate a range of heights and weights.

Bathe from a seated position

## Hand-Held Showers

To complement your bath lift or shower seat, add an affordable and easy to install hand-held shower.

Bring the water to you

## Raised Toilet Seats

As we age, it can become more of a challenge to raise up from a seated position. Adding a raised seat to any washroom helps minimize the anxiety around using the toilet safely by adding necessary height.

Minimize anxiety

## Bath Rails & Grab Bars

Bath rails can easily attach onto any bathtub while grab bars are affixed to the wall to provide support when getting in and out of the bath.

Adds safety and stability
