Motion Acquires Saskatchewan's Golden Mobility & Rehab Ltd.

Purchase marks significant growth for business in the province of Saskatchewan

Toronto, ON – September 20, 2021 – Motion (formerly Motion Specialties) – Canada's leading provider of mobility and home accessibility solutions; now with 49 locations across five Canadian provinces – is pleased to announce the expansion of their business across Saskatchewan with the acquisition of Golden Mobility & Rehab Ltd., as of September 20, 2021.

Golden Mobility & Rehab has been in operation for over 31 years and provides like-minded sales, services, and support to that of Motion across 5 locations, including Saskatoon, Regina, Prince Albert, Yorkton, and Moose Jaw. Their specialization in vehicle conversion and adaptive driving controls is an exciting addition to Motion's already comprehensive offering in this region.

(Winnipeg, MB)," said Thecla Sweeney, Executive Chair & CEO, Motion. **"We started the year off with a plan for aggressive growth and we couldn't be more pleased to continue this momentum with the integration of Saskatchewan's largest mobility business, Golden Mobility & Rehab Ltd."**

"We're excited to be joining Motion to gain access to the national infrastructure, expertise and resources that the company can provide in support of enhancing customer service for our valued clients," said Aaron Andre, Regional Director, Saskatchewan, and former owner of Golden Mobility & Rehab.

Golden Mobility & Rehab joins Shoppers Home Health Care's Wheelchair & Stairlift Division, MEDchair (incl. Calgary, AB, Saskatoon, SK & Newmarket, ON), Eastern Mobility Specialists (Cornwall & Hawkesbury, ON), Creative Mobility Products Inc, North Coast Home Medical Equipment, A-1 Wheelchairs Unlimited and Canadian Health Care Products as prominent providers who have been acquired by Motion over the last 5 years.
