About Motion Rehab Expo

Motion Rehab Expo is a complimentary full-day education and networking event for Canadian healthcare and industry professionals, including therapists, long-term care administrators, funding providers, and many others. Attendees can expect 15- or 30-minute round robin presentations from equipment manufacturers for both adult and pediatric solutions and the opportunity to trial and review the latest and greatest in rehab mobility, seating, and home accessibility products. As Motion is an International Accreditors for Continuing Education and Training (IACET)-accredited organization, attendees who participate in the keynote presentation will be eligible to receive a recognized Continuing Education Unit (CEU).
